Good afternoon, Sonata Hunters Creek Families

First, I want you to know that resident and staff safety is our top priority during hurricanes. The team has done an incredible job ensuring that all of the storm prep is complete, and we are ready to ride out the storm. We will be providing updates via email, please contact the community with any contact changes.

We have additional staff members staying overnight including Directors to ensure the safety of the residents and staff.

We held a resident meeting today at 2:30 to assure everyone that a little rain won't stop Sonata Hunters Creek! Check out our **Facebook** page to get community updates.

Please reach out if you have any questions or concerns. Stay safe and dry.

Thanks

Tammy and Team Sonata Hunters Creek
