## **Good Morning Serenades Families!**

I wanted to send a quick update this morning to let you all know we are doing well here.

We have not lost power as of yet and residents are up and getting their day started along with us. I know we will have wind and rain today according to the news, so we will keep listening in case any action needs to be taken. However, so far all is well! As always, if you have any questions, please feel free to contact us and stay tuned to our **Facebook** page for any updates.

Warmly,

**Lynette Smith**
